It is also the 2nd largest city in State of Washington, and it stands as a destination city with its natural beauty. Later the tour continues to Missoula in Montana. We will stop at the 50,000 Silver Dollar collection bar in Western Montana. The largest collection of its kind is displayed in this unique bar. This 50,000 plus Silver Dollar collection was started by Gerry and Marie Lincoln in 1952. Now in their fourth generation, the Lincoln family continues the Silver Dollar collection. Day 3: Yellowstone National Park – Missoula

In the northwest, the Mammoth District features Mammoth Hot Springs Terrace which was formed by the limestone of softer nature. As hot water rises through limestone, large quantities of rock are dissolved by the hot water, and a white chalky mineral is deposited on the surface. The Roosevelt National Historic District in the northeast keeps the original scenes of the “Old West”. The central are Lower Falls and Grand Canyon of the Yellowstone, presenting breathtaking views of landscapes. To the Southeast of the park lays the Yellowstone Lake. In the west and southwest, Yellowstone is home to some 10,000 thermal features, over 500 hundred of which are geysers. Yellowstone is also pristine mountain-range wilderness and an open refuge for wildlife, including grizzly bear, elk, American bison, moose and wolf.

We will continue to explore the Yellowstone Park by visiting Mammoth Hot Springs, Grand Canyon, Yellowstone River Falls, Tower Fall and etc. In the afternoon, we will drive back to Missoula.
